

Make sure that no **plates**, **milk** cartons, or **forks** go into the **trash**.

At the end of the period, collect **plates**, **recyclables** and **trash** left on the tables.

Teach others that **milk cartons**, **plastic forks**, **aluminum foil** and **plastic containers**, do not go into the **trash bin**.

Help others to
pour out liquids
*into the bucket
first!*

Make sure that all cartons, and PLASTIC sporks, forks, cups, and lids go into the blue bin.

Make sure that **no garbage** and **no food** goes into the blue bin!

When the bucket is getting full, let the kitchen staff know.

Put **food scraps** that are in the strainer into the **compost bin**.

Help everyone to **flip**, then **tap tap** their **plates** against the inside of the **trash bin**.

Teach others to **stack stack** their empty **plates** very neatly so the **stacks** do not fall over.

When the **plate stack** gets high, move it over and start a new **stack**.

Teach others to put all **food scraps and napkins** into the compost bin.

Make sure that no **plastic** forks and no **plastic wrap** go into the compost bin.

Check **plates**, **before they are flipped**, to be sure that only **food scraps and napkins** are left.

Check the schedule and make sure that all *RANGERS* are at lunch.

If a *RANGER* is absent, ask an adult to help choose a **substitute**.

You are in charge of the **badges** and **gloves**! Make sure that each *RANGER* gets their **badge** and one pair of **gloves**.

At the end of the lunch period, collect all **badges** and return to the **badge bin**.
